That story in the magazines by the well-known author, Rex Beach, called "The Burning of Rome," can now be seen in vivid picture form. The remaining two pictures, and especially the song, "Happiness," are excellent. As a result, a full house is expected to-night.

"The Last Days of Pompeii" in picture form at the Bijou to-day is fully as good as that popular picture, "The Burning of Rome." It is played by famous actors and actresses. The song, "Denver Town," is worth hearing.
